Nitrate Pollution AWARENESS WEEK

JULY 26-AUGUST 1, 2026

ABOUT THE EVENT

iwla.org/nitrateawareness

This summer, the Izaak Walton League of America is hosting **Nitrate Pollution Awareness Week** to highlight the sources and impacts of nitrate pollution nationwide and provide easy ways for people to learn more and get involved. Nitrate Pollution Awareness Week will feature webinars from experts, incentivize participation in community science water quality monitoring, and provide opportunities to speak up and advocate for solutions to harmful nitrate pollution.

Platinum Sponsorship Package

Gold-level perks plus:

Platinum-level sponsors will have their name/logo shared on 400 additional Nitrate Watch monitoring kits provided to volunteers during and after Nitrate Pollution Awareness Week.

Gold Sponsorship Package

Silver-level perks plus:

Gold-level sponsors will have their name/logo shared on 100 Nitrate Watch monitoring kits provided to volunteers during and after Nitrate Pollution Awareness Week.

Silver Sponsorship Package

Silver-level sponsors will have their name/logo shared on the Nitrate Pollution Awareness Week webpage and included in communication materials associated with the event.
